

I Found a Cat or Kitten – What Do I Do?

Cat Care Center is a veterinary hospital and boarding resort. We are not equipped to take in stray animals. We would like to help you find a safe place for your rescue. Please take these steps in order to locate the owner or find a safe place for your cat or kitten to stay. If your kitten(s) is less than 6 weeks old we will provide you with resources, education, and guidance in caring for them until they are of age for adoption. Please give us a call at (225) 228-1039 for more information.

- 1.) Post pictures and information about the cat on the following Facebook pages depending on your geographical location:
 - Lost Pets of Baton Rouge
 - Lost Pets of Ascension Parish
 - Lost Pets of Livingston Parish
 - Lost Pets of Central
- 2.) Bring the cat to any vet clinic to have it scanned for a microchip.
- 3.) Post on Nextdoor.com.
- 4.) Post signs in your neighborhood.

If an owner cannot be found, these organizations may be able to take in the cat and find it a home:
